Available now as of Nov 2018. Lease month to month, this charming, lower level apartment in a quiet neighborhood. You have access to enjoy the private fenced in yard. I would like a single tenet, but will consider two quiet people.

The space was remodeled in December 2015, with new cupboards, stove, refrigerator, sink, dimmable kitchen ceiling lights, counters, and more. New electric heating. No smoking. No dogs. Cats okay with a deposit.

It's located close to shopping, uptown and downtown. Stroll downtown in 12 minutes. Within six blocks you can shop for groceries at Aldrich's Market or the Coop, go to the post office, library and a variety of restaurants and shops. So much entertainment is about a 3 minute drive.
